BOTTIS' BEST BREAST

# BBB

Course Location:  
Grand Hotel Gardone  
Gardone Riviera | Italy

**JULY 2021**

**2**

**3**

**4**

An educational course of Villa Bella Clinic | Salò

Dear colleagues,

we are really pleased to announce the new dates for our 2021 meeting. BOTTIS' BEST BREAST 2021. (July 2-4, 2021)

This will be one of the best courses on Aesthetic Surgery of the Breast that will be held this year in Europe.

The course is so popular that we normally have a waiting list for places, since we limit the number of participants.

We are very proud of the popularity of our course, and we renew the programme every year selecting the best international faculty, all experts in certain areas of Aesthetic Breast Surgery.

This year will be special since we have all been suffering due to the Covid-19 situation, and we are hoping that this course will be a welcome opening to normality.

The course includes 10 live surgery operations, direct from the Villa Bella Clinic. The interactivity is what our participants always really appreciate.

A running commentary and questions directly from the audience, and an opportunity to see the pre and post results gives a high level didactic content. The feedback we get every year is incredible.

To enhance the high level educational element, we also have to add that the course is held in one of the most beautiful locations in the world Lake Garda. The hotel where the course is held is lake-side and the coffee breaks and lunches are held in the beautiful gardens looking out over the vast and amazing Lake. We also have an exciting social programme and a whole area to explore for the family.

As always, all profits are given to charity.

*Chiara Botti, md*
